

# ILLINOIS TOP MOCK

Wheaton College's Mock Trial Seminar

October 2nd-3rd, 2015

## ABOUT WHEATON MOCK TRIAL

Although recently founded in 2011, the Wheaton College Mock

Trial team has quickly made a name as a competitive powerhouse. In four competition seasons, we became the #1 ranked team in Illinois over such teams as the University of Chicago and Northwestern University, competed three times at the National Competition as one of the top 48 teams in the country, and produced three All-Americans. This is just the beginning.

## ABOUT ILLINOIS TOP MOCK

Illinois Top Mock is a unique and exceptional learning experience for high school mock trial teams. We combine flexible and customized programs with individual and small group instruction to ensure that we can help each and every student reach their full potential.
